**NOTICE IS HEREBY GIVEN** that the following addendum serves to provide clarification and to answer the questions received on ITB # 62-24, **Jack Russell Stadium Outfield Wall Padding**.

Question 1: The product manufacturer is not listed in the solicitation. Is there a manufacturer?

**Answer to Question 1: There is no specific manufacturer. Please refer to the solicitation, Section 3 Specifications, A. Outfield Stadium Padded Wall Specifications.**

Question 2: Are distance markers required on the new wall?

**Answer to Question 2: No, distance markers are not required.**

Question 3: Understand we are not doing any sponsor graphics but would there still be the distance measurements for center field (400) and the right/left field lines (340) as well as the foul pole lines to be printed on the padding?

**Answer to Question 3: Reference Answer to Question 2 above.**

Question 4: Is there existing Z-track? If so can it be reinstalled if it is in good condition with new mounting hardware? Or do you require all new Z-track for the project?

**Answer to Question 4: Please refer to the Detailed Specifications, Section A: Outfield Stadium Padded Wall Specifications, bullet point 4 on page 15 of the solicitation. While our preference is to remove and replace the Z-track, if it is determined to be in good condition upon staff review, replacement will not be necessary. Bid pricing should reflect the cost of replacing all Z-track. If it is determined that replacement is unnecessary, the City will work with the awarded Vendor to adjust pricing accordingly.**

Question 5: It typically takes 6-8 weeks for the fabrication of wall panels which may be an issue with completing the services before December 31, 2024, based on the project starting in November per Bid Timeline, page 6 of the solicitation.

**Answer to Question 5: The Bid Timeline provided on page 6 is tentative and may be subject to change, depending on whether Council's authorization is required. Any exceptions to the solicitation should be noted on the Exceptions/Additional Materials/Addenda form found on page 23 of the solicitation. Under Bid Pricing, page 22, delivery time may be taken into consideration when awarding this bid.**

**Please note:** The ten (10) day deadline for submitting questions is now closed and no further questions will be responded to.
