#### Memorandum

**TO:** Mayor and City Council

**FROM:** Bill Horne, City Manager

**COPIES:** Micah Maxwell, Assistant City Manager

Michael Delk, Assistant City Manager

**SUBJECT:** Mid-Year budget review - amended City Manager's annual budget report

**DATE:** May 19, 2021

Attached is the mid-year budget review in accordance with the City Code of Ordinances.

This report is based on the first six months of activity in the current fiscal year (October 2020 through March 2021). Contained within are comments on major variances and documentation of all proposed amendments.

Significant Fund amendments are outlined below:

#### **General Fund**

General Fund revenue and expenditure amendments reflect a net increase of \$531,224.

The General Fund expenditure increase at mid-year includes the Council approved appropriation of General of \$530,000 to fund the property purchase at 701 Franklin Street. Other amendments include an increase of \$1,224 in the Fire Department for receipt of the second quarter safety award with offsetting revenues recognized from the Central Insurance fund.

<u>General Fund Reserves</u> – In order to ensure adequate reserves, the City Council's policy reflects that General Fund unappropriated fund reserves of 8.5% of the City's budgeted General Fund expenditures must be maintained as a reserve to guard against future emergencies.

With the closing of the year-end 2020 books, estimated General Fund reserves at mid-year are approximately \$46.7 million, or 30.7% of the fiscal year 2020/21 General Fund budget, exceeding our minimum reserve requirement by \$33.8 million.

<u>Significant amendments</u> to other city operating funds are noted as follows:

## **Airpark Fund**

Amendments to Airpark fund expenditures include a transfer of \$20,000 to the Airpark Hangar C Replacement project. This will provide matching funds required for the approved grant agreement with FDOT, funded with an allocation from fund reserves.

#### **Clearwater Harbor Marina Fund**

Mid-year amendments to Clearwater Harbor Marina Fund expenditures include a transfer of \$12,500 to the Clearwater Harbor Marina & Facility Maintenance R&R project. This expenditure increase is offset by budgeted revenues.

### **Capital Improvement Program**

Mid-year amendments to the capital improvement program reflect a net increase of \$2,137,685. Significant amendments include Council approved increases of \$1,000,000 of Tax Increment Financing (TIF) revenues in the Downtown Streetscaping project; \$500,000 of TIF revenues in the Mercado – Downtown Gateway project; \$500,000 of TIF revenues in the City Wayfinding project; and \$80,000 in grant revenues from FDOT and \$20,000 of Airpark revenues in the Airpark Hangar-C Replacement project.

#### **Special Program Fund**

The Special Program Fund reflects a net budget increase of \$2,149,463 at mid-year. Significant amendments include \$1,980,740 from Pinellas County representing CARES Act funding to reimburse for COVID related expenditures; an increase of \$14,231 in public safety grant revenues for Investigative Costs Recovery and Federal Forfeiture Sharing; a decrease of \$340,178 in governmental revenues from the Juvenile Welfare Board to bring prior year expenditures in line with revenues received for after school and summer programs; \$14,750 in donation revenues to support Police and Parks programs; \$9,300 in foreclosure registry fees collected; \$137,865 in fines and court proceeds for public safety programs, the lien foreclosure program, and the tree replacement program; \$21,054 in reimbursement revenues in Police Vehicle Replacements and Federal Forfeiture Sharing; and \$311,702 in contractual service revenue for police extra duty.
