Responses received under 26-19, Engineer of Record Consulting Services, have been saved to the City's FTP site. In order to access this site, you will need to first download an FTP client. We suggest using WinSCP but Filezilla will also work.
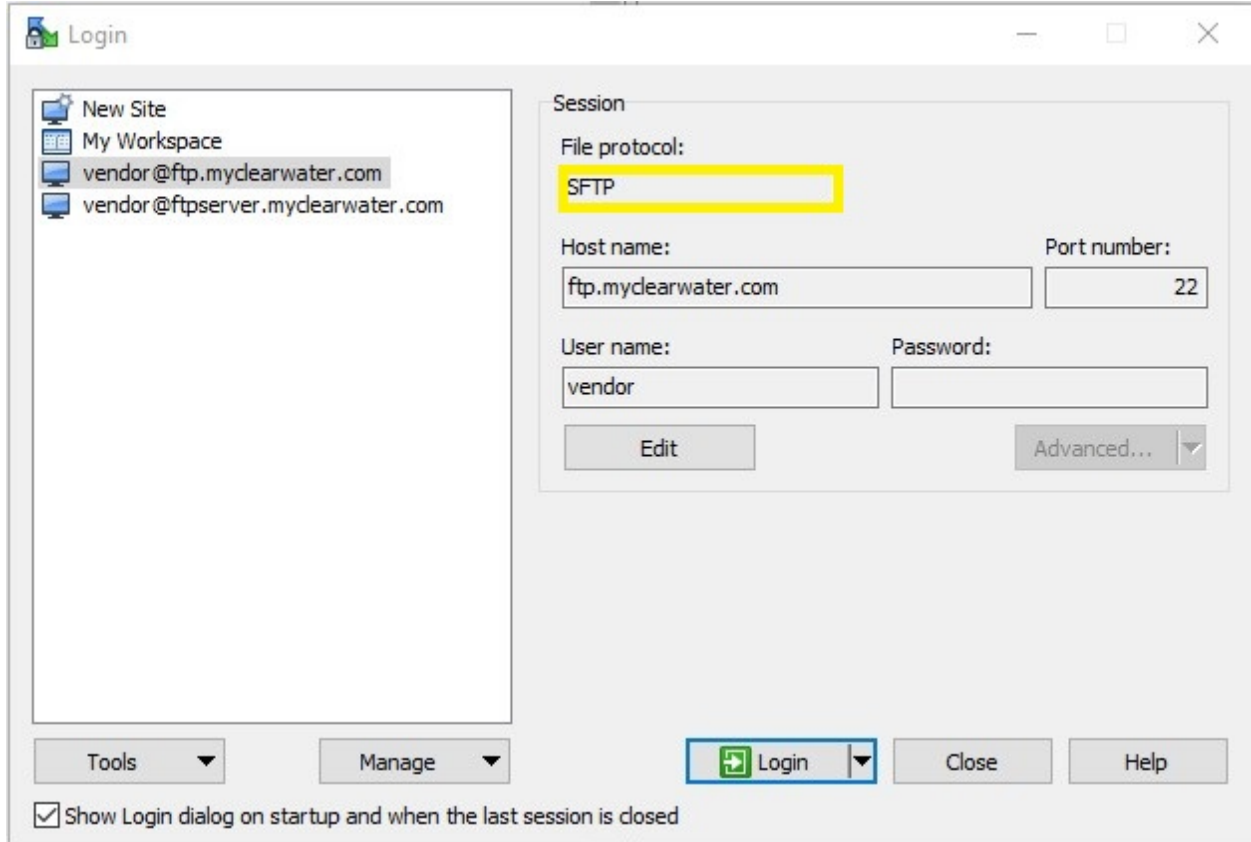

Protocol: SFTP
Host: ftp.myclearwater.com
User Name: vendor
Password: Bright&Beautifu1

Here is a screenshot using the SFTP protocol.

Once the download has been completed and you are on the site, double click on the folder labeled "Procurement" and then "26-19_Engineer of Record".
