

Addendum #1
RFP# 22-24, Project Management Services
April 25, 2024

NOTICE IS HEREBY GIVEN that the following addendum serves to provide clarification and to answer the questions received on RFP #22-24, Project Management Services.

Question 1: For the “Tab 6 – Cost of Service” since some of the proposed staff that would conduct project management services are engineers (i.e. FBPE connection). Our question relates the overall topic, has the City gained clearance to be allowed to ask for “Cost of Service”? We have not seen a proposal in Florida include rates in the past 4 years, so asking before we proceed forward.

Answer to Question 1: This Request for Proposal does not seek “professional services” as defined by Florida Statute 287.055. While having Florida-licensed engineers on staff is a preference due to the work experience that they provide, it is not a requirement since engineering services will not be utilized under this contract.
