PREAMBLE

This Agreement is entered into between the City of Clearwater, Florida, hereinafter referred to as the "City" and the Florida State Lodge of the Fraternal Order of Police, Clearwater Supervisors bargaining unit, hereinafter referred to as the "Union." It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein the full agreements between the parties concerning rates of pay, wages, hours of employment, and other terms and conditions of employment. It is understood that the City is engaged in furnishing essential public services which vitally affect the health, safety, comfort and general well being of the public and both parties hereto recognize the need for continuous and reliable service to the public. There shall be no individual arrangement contrary to the terms herein provided.

ARTICLE 1 RECOGNITION AND GENERAL PROVISIONS

Section 1. Recognition

The City hereby recognizes the Union as the exclusive bargaining representative as defined in Chapter 447, Florida Statutes, as amended, for all employees employed in the unit defined by the Public Employee Relations Commission in its certification No. 816, dated October 20, 1988, which certification is limited to Police Sergeants and Police Lieutenants.

Section 2. Contract Constitutes Entire Agreement

The parties acknowledge and agree that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter included by law within the area of collective bargaining and that all the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right to require further collective bargaining, and each agrees that the other shall not be obligated to bargain collectively with respect to any matter or subject not specifically referred to or covered by this Agreement, whether or not such matters have been discussed, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this Agreement. This Agreement contains the entire contract, understanding, undertaking and agreement of collective bargaining for and during its term, except as may be otherwise specifically provided herein.

This Agreement may be amended at any time by the mutual consent of the parties, but no such attempted amendment shall be of any force or effect until placed in writing and executed by each party hereof.

The parties agree to bargain proposed changes in the City's Pension Plan at the same time that bargaining occurs for this agreement and successor agreements.

Section 3. Severability and Waiver

Each and every clause of this Agreement shall be deemed separable from each and every other clause of this Agreement. In the event that any clause or clauses shall be finally determined to be in violation of any law, such clause or clauses only shall be deemed of no force and effect and unenforceable without impairing the validity and enforceability of the rest of the contract including any and all provisions in the remainder of any clause, sentence or paragraph in which the offending language may appear.

The exercise or the non-exercise of the rights covered by this Agreement by the City or its employees or agents or the Union shall not be deemed to waive any such rights or the right to exercise them in the future.

Section 4. Existing Rules

Any Police Department rule, regulation, policy or procedure in existence at the time of adoption of this Agreement which is in conflict with any provision of this Agreement shall be resolved by modification of such rule, regulation, policy or procedure to be compatible with this Agreement.

Employees shall be required to observe and comply with Department regulations governing their employment as set forth in any Departmental procedures and such special and general orders and written communications now existing or which may hereafter be established which are not in conflict with this Agreement.

No disciplinary action shall be taken for violation of a newly established or amended and posted rule or regulation until at least forty-eight (48) hours after initial posting.

The President of the Clearwater Supervisors Bargaining Unit shall be forwarded a copy of any written departmental memorandum, rule, regulation, general or special order, or policy intended for publication at least 10 days prior to the effective date such document is intended to establish a standard of conduct or performance for members of the bargaining unit.

Section 5. Pension Reopener

The parties agree that this Agreement may be reopened for the purpose of discussing proposed changes to the City's Pension Plan. Either party must notify the other party of its intention to reopen no later than January 31, 2025. The reopener shall be limited to discussing cost neutral changes to the City's Pension Plan. Cost neutral shall mean only those changes which will not increase the City's cost of funding the City's Pension Plan.

ARTICLE 2 REPRESENTATIVES OF PARTIES

Section 1. The City agrees that during the term of this Agreement it will deal only with the authorized representatives of the Union in all matters requiring mutual consent or other official action called for by this Agreement. The Union agrees to notify the City of the name of such authorized representatives as of the execution of the Agreement and each replacement therefore during the term of the Agreement. Authorized representatives shall be defined as the elected Officers of the Union including those appointed as stewards in accordance with this Agreement, provided that notification

has been provided in writing to the Office of the Police Chief and to the City Manager or his/her designee at least twenty-four (24) hours in advance. Until such notice is received, the City is under no obligation to recognize an individual as an authorized representative of the Union.

Section 2. The Union agrees that during the term of this Agreement the Union and the employees covered hereunder shall deal only with the City Manager or his/her representative in matters requiring mutual consent or other official action and specifically the Union agrees that neither the Union nor the employees covered hereunder shall seek to involve the Mayor-Commissioner or Commissioners in the administration of the Agreement, or otherwise in the operation of the City's Police Department, provided that nothing contained herein shall restrict an employee's right to present non-employment related matters to such elected officials. All matters relating to grievances shall be processed only through the grievance procedure chain of command.

ARTICLE 3 RIGHTS OF PARTIES

Section 1. Any right or working condition enjoyed by employees covered by this Agreement as the result of specific action taken by the City Manager or Police Chief shall not be changed in an arbitrary or capricious manner.

Section 2. Police Officers' Bill of Rights

It is understood and agreed that all unit members shall enjoy those protections afforded under Sections 112.531, 112.532, 112.533 and 112.534, Florida Statutes, commonly known as the Law Enforcement Officer's Bill of Rights.

Section 3. The City agrees to continue its policy of not discriminating against any employee for any reason prohibited by applicable state or federal law. Any claim of discrimination by any employee against the City, its officers or representatives shall not be grievable or arbitrable under the provisions of the Grievance Article of this Agreement, but shall be subject to the matter of review prescribed by law or by rules and regulations of appropriate state or federal agencies having the force and effect of law.

Section 4. The Union and its representatives agree to support federal and state laws and regulations thereunder which have the effect of law and to abide by them, and further to encourage all bargaining unit members to comply with such laws and regulations at all times. From time to time, as the City issues policy statements or develops specific training programs concerning areas of prohibited discrimination under federal laws and regulations, the City may submit such policies and/or programs to the Union for their review and consideration for endorsement. If the Union determines not to endorse the policy and/or program, it shall advise the City of its reservations which have precluded it from endorsement.

Section 5. The Union and the City shall not interfere with the right of employees covered by this Agreement to become or to refrain from becoming members of the Union, and the Union and the City shall not discriminate against any such employee because of membership or non-membership in any employee organization. The Union acknowledges that it is the sole representative of bargaining unit employees. However, the Union has no obligation to prosecute grievances under this Agreement for non-members.

Section 6. City's Management Rights

- A. The City reserves, retains, and is vested with, solely and exclusively, all rights of management which have not been expressly abridged by specific provisions of this Agreement. The sole and exclusive rights of management include, but are not limited to, the following:
- (a) to manage the City generally and to determine the issues of policy;
 - (b) to determine the existence or nonexistence of facts which are the basis of management decisions;

- B. If in the sole discretion of the City Manager or the Mayor it is determined that civil emergency conditions exist or may exist including, but not limited to, riots, civil disorders, hurricane conditions, strikes, or similar catastrophes or disorders, this Agreement may be suspended by the City Manager or the Mayor during the time of the declared emergency, provided that wage rates and other direct monetary payments shall not be suspended.

Section 7. Union Rights

- A. Union Dues and Checkoff -- During the term of this Agreement, and except as provided below, the City agrees to deduct the basic and uniform membership dues owed by the employee to the Union on a biweekly basis, provided that prior to any such deduction the Union has provided the City with a signed statement from each said employee for whom dues are to be made that such deduction is authorized, and provided further that such authorization is in a form satisfactory to the City. Any authorization for dues deduction may be canceled or amended by the employee upon thirty (30) days written notice to the City and the Union and shall be discontinued in the event the employee is terminated or is transferred, promoted or otherwise moved out of the bargaining unit. The City will not deduct any Union fines, penalties or special assessments from the pay of any employee.

In the event that an employee's salary earnings within any pay period, after deductions for withholding, pension or social security, health and/or hospitalization insurance, or other standard or legally required deductions, are not sufficient to cover the basic and uniform membership dues, it will be the responsibility of the Union to collect its dues for that pay period from the employee.

- B. Indemnification -- The Union shall indemnify, defend and hold the City, its officers, officials, agents and employees harmless against any claim, demand, suit or liability (monetary or otherwise) and for all legal costs arising from any action taken or not taken by the City, its officials, agents and employees in complying with this Agreement. The Union shall promptly refund to the City any funds received in accordance with this Agreement which are in excess of the amount of basic and uniform membership dues which the City has agreed to deduct.
- C. Stewards -- The stewards of the Union shall consist of the elected officers of the Union, subject to a limit of four persons and four alternates. If the Union has more than four officers, it shall designate the four who will serve as stewards. The Union will submit a list of the four elected officers who will serve as stewards and the four alternates to the Police Chief and to the City Manager or his/her designee.

Any steward who feels unqualified to represent a member on any matter will be permitted to contact the Union president who shall designate a representative to serve the member.

A steward shall not investigate or otherwise handle grievances during working hours without the specific, expressed consent of the Division Commander. A steward shall not investigate his/her own grievance or otherwise represent himself/herself.

- D. Union Time -- The Union shall be allowed up to 300 hours of time off without loss of pay per year for the purpose of attending official F.O.P. or bargaining unit functions, meetings or conferences. Union time off with pay shall be granted by the City for the purposes of grievance representation, labor management meetings, contract negotiations, and participation as a member or attendee of any City committee whereby the Union member appears at the behest of and in the interest of the City. Union time off with pay shall be provided for up to five Union representatives (excluding a note taker) for contract negotiations. Requests for use of this Union time shall be made in advance in writing by an elected officer of the Clearwater Supervisors Bargaining Unit or Union Steward as described above to the immediate supervisor of the bargaining unit member who will be utilizing the requested union time. The Police Chief or his/her designee will grant such time off without loss of pay provided that, in his/her sole and unlimited discretion, the efficiency of operation of the Department will not be interfered with or impaired. Any portion of the Union time not used in an annual period, which shall be defined as a contract year beginning with ratification, shall be forfeited and shall not be carried forward into the next annual period. Bargaining unit members utilizing Union time under the provisions of this Section shall not be eligible during the time of utilization for Worker's Compensation benefits in case of injury. In any event, absence from duty for Union business shall not be approved when such requires a Union member to be off duty for periods in excess of two (2) consecutive work shifts. Extension of any consecutive time off for Union members over and above two (2) consecutive shifts may be granted solely at the discretion of the Police Chief.

Joint related business between the City and the Union shall not be subject to deduction from Union time under this Section when an employee is directed by the City to attend. However, the Union acknowledges that such time needed for arbitration hearings will be chargeable to the account.

- E. Union Notification Media -- The City agrees to provide space (not less than 24 inches by 24 inches) on bulletin boards, utilization of e-mail, or other appropriate means of distributing notices of meetings and other official Union information. The Police Chief or his/her designee shall first review and approve or not approve any such posting or transmission of F.O.P. official information for distribution in any City facility. No other City bulletin board, e-mail, or other distribution methods may be used by the Union or any member of the bargaining unit for any purpose not approved by the Police Chief. Such approval shall not be unreasonably withheld. The Union is expressly prohibited from posting any information relating to political candidates or political office.
- F. Rules and Regulations and Memorandums -- The designated representative of the Union shall have a copy distributed to his/her mail box of any written departmental memorandum, rule, regulation, order or policy, intended for publication to all members of the bargaining unit, which is intended to establish a standard of conduct for members of the bargaining unit.

The designated representative of the Union shall be forwarded a copy of the agenda from the City Clerk's office of any regular City Commission meeting in the same manner that the Police Chief is forwarded a copy.

- G. Copying of Agreement -- In accordance with the City's Greenprint Sustainability Plan, the City and the Union each agree that this Agreement shall be posted by the City on the City's Launchpad and Website.
- H. Use of Copying Equipment -- The City agrees to allow the Union's officers to use the departmental copying equipment while off duty under the following conditions:
 - (a) The Chief or his/her designee shall approve the copying of any matter which shall be limited to departmental records which the Chief will not allow the Union to remove from the Department and copy using its own equipment.
 - (b) The Union will be charged and will remit such rate as may hereafter be established by the City in accordance with City Policy.
 - (c) Department business will of course take priority and the Union will only be allowed to make copies when the Department is not otherwise using the copier.
- I. The Union shall designate a Civil Service Liaison Officer who may, on request, be relieved from duty with no loss of pay for the purpose of attending Civil Service Board Meetings, unless the efficiency of operation of the Department will be interfered with or impaired in the sole and unlimited discretion of the Police Chief or his/her designee. In addition, two Union officers may, on request and at the discretion of the Chief or his/her designee, be relieved from duty with no loss of pay for the purpose of attending official Union meetings, unless the efficiency of operation of the Department will be interfered with or impaired.
- J. The President of the Clearwater Supervisors Bargaining Unit or his/her designee shall be forwarded a copy of the agenda in advance of every regular City Commission meeting.

Section 8. Disability Retirement Process

Upon receipt of a complete application for a disability pension, which includes the most recent medical conclusions known to the applicant at the time of submittal, the City shall request and obtain an independent medical evaluation ("IME"). If disabilities are claimed that involve multiple specialties, one IME per specialty shall be selected. Any costs directly or indirectly relating to IME's shall be paid by the pension plan.

After receiving the completed IME report(s), the application and any other records the City deems relevant to the application, the City Attorney's Office shall either review or arrange for outside legal counsel to review, on behalf of the City, the merits of the application. The City Attorney's Office, or legal counsel hired by the City Attorney's Office for this purpose, shall recommend to the City Manager either a stipulated approval or an evidentiary hearing. The City Manager shall take the recommendation under advisement and consider any other factors he/she deems relevant to the application and determine on behalf of the City whether to enter a stipulated approval, or whether to schedule an evidentiary hearing.

If the City Manager enters into a stipulated approval, an agenda item shall be brought before the Pension Trustees confirming the stipulation. The role of the Pension Trustees in said approval shall be ministerial in nature. Upon approval by the Pension Trustees, the City shall finalize and distribute the disability pension benefits to which the applicant is entitled.

If the City Manager opts for an evidentiary hearing, the hearing shall be conducted by the State of Florida Division of Administrative Hearings ("DOAH"). The Pension Trustees will enter into a contract with DOAH for this purpose. It shall be the duty of the hearing officer to review the application for a disability retirement, determine whether the claim meets the criteria for awarding a disability pension benefit, and issue a recommended order.

During the formal hearing, the applicant and City shall have the right to be heard, to be represented by a person of their choice, and to present evidentiary facts. Each party shall pay its own expense for its representative, counsel, and witnesses.

At the formal hearing, the technical rules of evidence shall not apply. The hearing officer shall have the power to administer oaths, issue subpoenas, compel the production of books, papers and other documents and receive evidence. The hearing officer shall utilize a procedure similar to that set forth in F.S. §§ 120.569 and 120.57. The hearing officer shall have no authority to award attorney's fees to the prevailing party.

All recommended orders prepared by the hearing officer shall conform with the requirements for such orders as set forth in F.S. §§ 120.569 and 120.57. The hearing officer shall then transmit the recommended order composed of findings of fact, conclusions of law, and disposition to the Pension Trustees.

The Pension Trustees may adopt the recommended order as the final order. The Pension Trustees in its final order may reject or modify the conclusions of law over which it has substantive jurisdiction and interpretation of administrative rules over which it has substantive jurisdiction. When rejecting or modifying such conclusion of law or interpretation of administrative rule, the Pension Trustees must state with particularity its reasons for rejecting or modifying such conclusion of law or interpretation of administrative rule and must make a finding that its substituted conclusion of law or interpretation of administrative rule is as or more reasonable than that which was rejected or modified. Rejection or modification of conclusions of law may not form the basis for rejection or modification of findings of fact. The Pension Trustees may not reject or modify the findings of fact unless the Pension Trustees first determines from a review of the entire record, and states with particularity in the order, that the findings of fact were not based upon competent substantial evidence or that the proceedings on which the findings were based did not comply with essential requirements of law. The Pension Trustees may accept the recommendation in the recommended order but may not reduce or increase it without a review of the complete record and without stating with particularity its reasons therefore in the order, by citing to the record in justifying the action.

Any party adversely affected shall have the right to have the administrative proceeding reviewed by filing a petition for certiorari with the circuit court of Pinellas County as provided by Rule 9.100 of the Florida Rules of Appellate Procedure.

ARTICLE 4 NO STRIKE

Section 1. The Union agrees that during the term of this Agreement it shall not authorize, instigate, condone, excuse, ratify, support or acquiesce in any strike, slowdown, work stoppage or any other act of like or similar nature likely to interfere with the efficient operation of the City's affairs engaged in or supported by members of the Union and/or employees represented by the Union or other agencies or representatives of the Union or its affiliates.

Section 2. Should the Union or its member employees covered hereunder within the City's Police Department breach this Article, then the City may proceed to the appropriate court and, without notice, obtain a temporary restraining order against such breach.

Section 3. Should any member of the bargaining unit be found guilty of striking as defined in Chapter 447, Florida Statutes, the employee shall be subject to dismissal, and it is expressly agreed that such violation constitutes just cause for dismissal.

ARTICLE 5 LABOR-MANAGEMENT COOPERATION

The City and Union support the concept of Labor-Management cooperation to address employee concerns that are not specifically provided for by contract provisions. Labor-Management cooperative efforts shall not be intended to bypass established grievance procedures or the right of collective bargaining. Labor-Management cooperation shall be utilized for the purpose of discussion and input from both parties on matters that may be mutually resolved and are not subject to collective bargaining, grievance, or litigation processes.

ARTICLE 6 GRIEVANCE PROCEDURE

It is the intent of this Article to provide a means for the fair, expeditious, and orderly settlement of disputes that arise under this Agreement between the Union and/or a bargaining unit member and the City. All employees and supervisory personnel should make every effort to settle differences at the lowest possible step outlined in this Article.

Section 1. A grievance shall be defined as a timely complaint by an employee within the bargaining unit regarding the interpretation or application of specific provisions of this Agreement. The grieving individual must state in writing the remedy sought to resolve the grievance.

Section 2. All grievances filed shall refer to the specific Article and Section of this Agreement upon which the grievance is based and shall contain a concise statement of the facts alleged to support the grievance. Any grievance relating to disciplinary action shall be signed by the employee initiating the grievance. A grievance relating to an alleged contract violation other than disciplinary action may be filed by, and signed by, the Union on behalf of an employee(s) but must specify the affected employee(s) by name. All information must be furnished. No grievance may be amended from the original written grievance filed at the initial step of the grievance procedure. The Union agrees to deliver copies of the initial grievance and of each successive written step of processing for the grievance to the City Manager or designee within forty-eight (48) hours of its submission to the appropriate official within the Police Department.

Grievances shall be processed in accordance with the following procedure and shall be determined by application of the terms of this Agreement. Where the term "working days" is used in this Article, it shall refer to Monday through Friday. Saturdays, Sundays, and days designated as holidays for managerial employees of the Police Department or the City Manager's office are excluded from the term "working days." The time limits for filing the grievances and processing subsequent steps in the grievance process shall be strictly construed, but may be extended by mutual agreement evidenced in writing and signed by a duly authorized representative of the City and the grieving party. Failure of the grievant to comply with any of the time limits set forth hereunder shall constitute waiver and bar further processing of the grievance. Failure of the City to comply with the time limits set forth hereunder shall automatically move the grievance to the next level in the grievance process.

Probationary employees shall not have access to the grievance procedure for failure to satisfactorily complete the probationary period, but will be allowed to grieve other forms of discipline for which they are charged for specific infractions or violations of City or departmental rules, regulations, orders or other documents regulating conduct. The right of management to demote a probationary employee for failing to meet standards is absolute and no specific reason shall be given.

Section 3. On behalf of employees covered by this Agreement, the Union hereby waives any right of these employees to resort to the Civil Service Board concerning any matter that is defined in this Agreement. This shall specifically include grievances relating to suspensions, demotions and dismissals.

Section 4. Formal Processing of Grievances Initiated By Employee

The aggrieved employee may request that a Union representative be present at any time during the grievance procedure.

STEP 1

An aggrieved employee (Police Sergeant or Police Lieutenant) shall present his/her grievance in writing to the Police Major in his/her respective Division, or to the Deputy Police Chief if the employee is not assigned to a specific Division, within ten (10) working days after the employee has knowledge or constructive knowledge of the occurrence of the action giving rise to the grievance. The written grievance at this step, and at all steps thereafter, shall contain the following information:

1. A statement of the grievance including date of occurrence, details, and the facts upon which the grievance is based.
2. The Article and Section of this Agreement alleged to have been violated.
3. The action, remedy, or solution requested by the employee.
4. Signature of aggrieved employee and Union representative.
5. Reason for rejection of management's answer, if appealed (Steps 2 and 3 only).
6. Date submitted.

Grievances submitted at this step shall be reviewed and returned to the grievant if the form does not contain the above information. The grievant shall be notified of the insufficiency and afforded an opportunity to correct and resubmit the grievance within two (2) working days of its being returned to him/her. As used in this Article, the term "employee" shall also mean a group of employees having the same grievance. In such event, one aggrieved employee shall be designated by the group of employees to be responsible for processing the grievance. The Police Major or Deputy Police Chief receiving the initial grievance shall review the grievance and meet with the employee and a Union representative if one is requested and shall submit a response in writing to the aggrieved employee within ten (10) working days from the date the grievance was presented to him/her. The written response at this step and all steps thereafter shall contain the following information:

1. An affirmation or denial of the facts upon which the grievance is based.
2. An analysis of the alleged violation of the Agreement.
3. The remedy or solution, if any, to be made.
4. Signature of the appropriate management representative.

Where the Police Major or Deputy Police Chief determines that he/she is unable to respond due to circumstances of the grievance which may require a decision at a higher level, he/she may respond by denying the grievance.

STEP 2

If the grievance is not resolved at Step 1, the aggrieved employee may submit the grievance to the Police Chief within ten (10) working days from receipt of the response in Step 1. Such submission of the grievance at Step 2 shall be in writing. The Police Chief or designee shall obtain necessary facts concerning the alleged grievance and shall, within seven (7) working days following receipt of the grievance at Step 2, meet with the aggrieved employee and a Union representative if one has been requested. The Police Chief or his/her designee shall notify the aggrieved employee of his/her decision in writing not later than seven (7) working days following the meeting day with the employee.

STEP 3

If the grievance is not resolved at Step 2, the grievance and all responses thereto may be submitted to the City Manager or designee within ten (10) working days of the time the response was provided in Step 2. At the request of the employee, the City Manager or designee shall meet with the employee and a Union representative if one has been requested. The City shall determine who shall meet with the employee. Within ten (10) working days of the meeting with the employee, the City Manager or designee will notify the aggrieved employee, in writing, of their decision. If a grievance is not submitted to the City Manager or designee, it shall be deemed to have been resolved at Step 2 or to have been dropped by the grievant.

Section 5. Formal Processing of Grievance Initiated By City

Where any provision of this Agreement involves responsibility on the part of the Union which, in the view of the City, is not properly being carried out, the City may present the issue to the Union as a grievance. If such grievance cannot be resolved by discussion between the City and the unit

representative on an informal basis, the grievance may be formally filed in writing by the City Manager or designee by giving written notice to the authorized representative of the Union. Such notice shall indicate the provision of the Agreement which the City contends is not properly being carried out by the Union. If not resolved within ten (10) working days following receipt by the Union of the written grievance, the City may submit the grievance to arbitration under the provisions of Section 6 of this Article.

Section 6. Grievance Arbitration

In the event that a grievance is still unresolved after Step 3 in Section 4 above or as provided in Section 5 above, the matter may be submitted to final and binding arbitration as provided in this Section.

- A. Within ten (10) working days of the decision of the City Manager or designee, the aggrieved party shall notify the City Manager or designee of intent to arbitrate. Within ten (10) working days of notice of intent to arbitrate, said party shall request from the Federal Mediation and Conciliation Service a list of seven (7) names of qualified arbitrators. Each party shall have the right to unilaterally reject one list of arbitrators received from FMCS. Thereafter, a list may only be rejected by mutual consent of the parties. Within ten (10) working days after the receipt of such a list, representatives of the parties shall meet and each party shall strike three (3) names. The party filing the grievance shall strike the first name, then the other party shall strike a name. The process shall be repeated and the remaining name shall be the arbitrator selected. The arbitrator shall be notified of their selection. As promptly as can be arranged, but no later than sixty (60) calendar days from the selection of an arbitrator, the arbitration hearing shall be held. Section 7. Time Off

- A. An employee shall be granted necessary time off from his/her duties with pay for any of the following reasons when such time off does not in the judgment of the Police Chief interfere with the operations of the Department:
1. For participation in promotional examinations held by the City.
 2. For serving on a jury. The employee shall be required to furnish proof of such service and shall work any part of his/her regular schedule when not required to serve on said jury.
 3. When directed by the City Manager or Police Chief to attend professional or other conventions, institutes, courses, safety meetings or other meetings, including in-service training or in-service meeting. Employees who wish to attend career development training may be granted time off from duty with pay to attend such training, however compensation for such training shall be in accordance with Article 7, Section 8 of this Agreement.
- B. An employee may be granted time off without pay for attendance at meetings other than those specified above or to attend to urgent personal business, provided that such employee shall request

approval from the Police Chief in sufficient time to permit the Police Chief to make arrangements therefor, and further provided that such time off will not affect the efficient operation of the Department in the sole and unlimited discretion of the Police Chief.

- C. With the prior approval of the City Manager and Police Chief or his/her designee, and when the employee is acting in an official capacity on behalf of the City, an employee may be granted time off from his/her duties for acting as an active or honorary pallbearer at a funeral or for attendance at state funerals, funerals of City officials, or employees or their spouses, or for military or fraternal funerals. Such time off may be granted with or without compensation at the sole and unlimited discretion of the Police Chief and the City Manager or their designees. For the above occasions only, the Department shall provide all expenses for up to a total of two designated Honor Guard members from the Department, as well as transportation and fuel costs for any other Honor Guard members permitted to be released from duty in accordance with Department staffing requirements.

Time off with compensation under any of the provisions of this Agreement (including vacation and sick/injury leave) shall not be required to be made up.

Section 8. Leave Without Pay

- A. A regular employee may, on written application therefor, be granted a leave of absence without pay upon the prior approval of the City Manager or his/her designee for any of the following reasons:
1. The physical or mental disability of the employee;
 2. The employee has announced his/her candidacy for public office;
 3. The employee is entering upon a course of training and/or study for the purpose of improving the quality of service to the City and/or of fitting himself/herself for promotion in the classified service;
 4. Extraordinary reasons, sufficient in the opinion of the City Manager, to warrant such leave of absence.
 5. In accordance with the Family and Medical Leave Act, eligible employees may take up to twelve (12) weeks of unpaid, job-protected leave to care for a newborn child, newly adopted child, or child with a serious health condition. Eligible spouses who work for the City are subject to the combined limitation of twelve (12) weeks as set forth in the Family and Medical Leave Act.
- B. Leave for any of the above reasons shall be subject to the following regulations:
1. Such leave shall not be granted for more than six (6) months, but may under the provisions of the paragraphs above be renewed upon written application therefore by the employee and approval of the City Manager.
 2. An employee granted a leave of absence hereunder shall except as hereinafter provided be restored to his/her former position on the expiration of leave, or if requested in writing by the employee and approved by the City Manager, before the expiration thereof.

3. In the event that it is determined by the City Manager that it would not be in the best interest of the City to restore such employee to his/her former position or in the event that the former position has been abolished in the meantime, the employee shall be placed at the head of the reemployment list for the class or positions nearest approximating that in which he/she was employed immediately prior to such leave, provided the employee is physically and mentally qualified for such position. Should the names of two or more employees returning from leave be placed on the same reemployment list, the names shall be arranged in order of seniority.

Section 9. Parental Leave

The City will provide up to one week of paid parental leave following the birth of an employee's child or the legal permanent placement of a child with an employee in connection with adoption or foster care. This paid leave will run concurrently and in conjunction with the Family and Medical Leave Act.

Eligible employees must meet the following criteria:

- i. Have been employed with the City for at least 12 months.
- ii. Have worked at least 1,250 hours during the 12 consecutive months immediately preceding the date the leave would begin.
- iii. Be a regular full-time employee.

Employees must be taking leave for one of the reasons listed below:

- i. To bond with the newborn child within one year of birth.
- ii. The legal permanent placement of a child with the employee for adoption or foster care and to care for the newly placed child within one year of placement.

The fact that a multiple birth, adoption or placement occurs (e.g., the birth of twins or adoption of siblings) does not increase the total amount of paid parental leave granted for that event. In addition, in no event will an employee receive more than one week of paid parental leave in a rolling 12-month period, regardless of whether more than one birth, adoption or foster care placement event occurs within that 12-month time frame.

Paid parental leave is compensated at 100 percent of the employee's regular, straight-time weekly pay. Paid parental leave will be paid on a biweekly basis on regularly scheduled pay dates.

Approved paid parental leave may be taken at any time during the 12-month period immediately following the birth, adoption or legal permanent placement of a child with the employee. Paid parental leave may not be used or extended beyond this 12-month time frame.

Employees must take paid parental leave in one continuous period of leave and must use all paid parental leave during the 12-month time frame indicated above. Any unused paid parental leave will be forfeited at the end of the 12-month time frame.

The employee will provide their supervisor and the Human Resources Department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible).

Employees must return to work for the City for at least 6 months following the paid parental leave. An employee will be responsible for repayment if this commitment is not fulfilled. The repayment will be deducted from the employee's sick time balance first, followed by their personal floating holiday and then vacation.

D. Denial of Merit Step Advancement and Effect Upon Advancement

Employees who receive an evaluation on their promotional anniversary date of less than Satisfactory shall not be granted a merit step advancement at the beginning of the payroll period which includes their promotional anniversary date. Such employees may be reevaluated after three months, and if then rated satisfactory shall be granted a merit step advancement at the beginning of the payroll period which includes that date. If the three-month follow-up rating is still less than satisfactory, the employee shall be reevaluated in another three months. If then rated satisfactory, the employee shall be provided a merit step advancement as of the second three-month follow-up review. If still rated less than satisfactory, no merit step advancement shall be made and the employee will be evaluated on their regular promotional anniversary date.

- E. Effective for the beginning of the payroll period that includes October 1, 2024, all employees will be paid in accordance with the new annual rate of pay as provided in Appendix A. Effective for the period from October 1, 2026 through September 30, 2027, employees shall advance in Step as provided in Section 1. Employees may not exceed the maximum annual rate of pay as provided in Appendix A.

Any further step advancements after September 30, 2027 will be dependent upon and subject to negotiations in any successor Agreement.

Section 2. Work Week and Overtime

- A. Normal Work Week: The normal work week for employees in the bargaining unit shall consist of forty (40) hours of working time. An FLSA authorized exception is an 84 hour 14 day work period when working 12-hour shifts. Generally, the employee will work five (5) days of approximately eight (8) hours per day, or four (4) days of approximately ten (10) hours per day or 12-hour shifts; however, the City and Department may otherwise establish and flex an employee's schedule as necessary in their judgment to best provide police services in an effective and efficient manner. No employee shall be sent home prior to the end of his/her regularly scheduled shift for the purpose of denying overtime pay; nor shall any employee have his/her work schedule altered in an arbitrary or capricious manner.

B. Overtime: Employees shall be required to work overtime when scheduled or ordered by competent authority. Employees shall be paid time and one-half their regular rate for all hours worked after the employee has actually worked forty (40) hours in that work week. An authorized FLSA exception are 12-hour shifts. FLSA provides for an 84-hour, 14 day work period. Overtime accrues for hours worked in excess of 84.

Overtime: Overtime will be paid for time worked in excess of 84 hours during the 14-day work period. Sick or Vacation time utilized during the same 14-day period will cause time worked in excess of 84 hours to revert to straight time as is the current practice for the 40-hour work week. (Overtime accrual in excess of 84 hours exceeds the FLSA requirement).

In the event 12-hour shift were to be implemented anywhere other than District I, the Pitman schedule would be utilized as has been the practice in District I.

Only hours actually worked will count as hours worked for the purpose of computing overtime pay, unless otherwise specifically provided in this Agreement.

Section 3. Compensatory Time Allowance

Employees will be permitted to request to be granted compensatory time in lieu of overtime payment, up to a maximum cumulative accrual of 120 hours of compensatory time. At no time may an employee's total accrual of compensatory time exceed 120 hours. Compensatory time accrual will be at time and one half for each hour selected in lieu of premium overtime payment. Requests to use compensatory time shall be made to the appropriate Police Major or other employee's immediate supervisor. Compensatory hours off shall be considered as hours worked in computing overtime under this Article. Payment for compensatory hours will be made for all time exceeding the 120 hour limit, or for any hours when requested in writing by an employee. Employees shall be paid for all compensatory time upon separation from City service.

Section 4. Shift Differential

Employees shall be entitled to shift differential pay as follows:

A. For purposes of computing shift differential pay, the following shift series and payments are established:

<u>Shift Series No.</u>	<u>Hours</u>	<u>Payment Per 14 Day Period</u>
100	2400-0700	10%
200	0700-1600	0%
300	1600-2400	5%

The shift differential payments shall be computed as a percentage of the employee's base pay.

B. An employee's shift differential shall be determined by the shift series into which the majority of the weekly hours of his/her regularly assigned shift for the scheduled shift cycle falls and without regard to the starting or ending time of the employee's shift. Any employee working 12-hour shifts would receive the 10% differential if assigned to a team designated as night shift. Temporary shift

or duty assignments of less than fourteen (14) calendar days shall not entitle an employee to shift differential pay. Employees shall maintain shift differential pay during temporary Series 200 shift or duty assignments of less than fourteen (14) calendar days.

- C. Shift differential pay shall be paid to any Sergeant regularly assigned to a Series 100 or 300 shift and shall not be prorated on account of vacation, holidays or other paid time off.
 - 1. Two "floating" FTO supervisor positions allocated to the regular patrol shift bid assignments and specialty assignments.
 - 2. No more than one FTO Sergeant will be permitted to occupy the midnight relief shift at any given time.

Bargaining unit members who are selected for FTO supervisor assignments shall be permitted to bid among themselves by seniority in rank for the FTO supervisor assignments. Patrol Sergeants who are in special duty assignments such as Community Policing, Traffic Section, or the Special Operations Section are not included in the bidding process.

An employee who is placed on light or restricted duty shall have bidding rights for shift assignments, but has no assurance of the assignment until he/she resumes full duty status. The Police Chief may reassign any officer when such reassignment is in the best interest of the Police Department. Such reassignment shall be with proper justification.

Section 5. Standby Pay

- A. Standby, other than court standby, for the purpose of this Section shall occur when the Police Chief or his/her designee places an employee on standby status and requires that the employee provides a telephone number at which he/she can be reached for the purposes of a Telephone Alert situation.
- B. An employee assigned to standby will receive a flat fee of:
 - \$50.00 per night, Monday through Friday (except Holidays)
 - \$100.00 per night for Saturday, Sunday, or any Holiday listed in Article 8, Section 1, Paragraph A of this Collective Bargaining Agreement.
- C. Only the Police Chief or his/her designee may place an employee on standby. This Section will only apply to Telephone Alert situations.

Section 6. Recall Pay

Any employee who is recalled to duty after having left for the day, or on a regularly scheduled day off, or more than three (3) hours prior to the start of his/her regularly scheduled tour of duty, shall be guaranteed a minimum of two (2) hours pay or two (2) hours work. For the purpose of this Section, recall is defined as the unscheduled calling back or call in of an employee to perform needed work after the employee's regular shift ends and the employee has already left the job or on a weekend, holiday, or other equivalent period during which the employee would not otherwise have worked and shall include any duty, detail, response to a lawful order for which the employee can be disciplined for his/her failure to comply. Recall specifically excludes court appearances. Efforts will be made to ensure that employees are not recalled within 8 hours of their last shift; If unavoidable, management will inquire as to the employee's ability to perform their duties. Employees must advise management if

they are unable to do so. Employees will be paid only for the actual time worked for any self-initiated police action taken while off duty and all such hours shall count as hours worked toward the calculation of overtime. Any employee recalled while on vacation shall be paid at time and one-half for all hours worked on the recall assignment.

Section 7. Acting Pay

If an employee is assigned to act in a higher classification for more than two (2) consecutive complete payroll calendar work weeks (Saturday through Friday), the employee shall receive five (5) percent above the employee's base pay retroactive to the date the employee assumed the Acting status.

When a bargaining unit employee is designated to serve in an acting capacity as a Police Major, such employee shall remain eligible to receive shift differential pay, overtime, and assignment pay. Any provisions of this Agreement which restrict the City's ability to schedule hours of work or shifts shall not apply.

Section 8. Job Assignment Pay

- A. Sergeants who are assigned to the Community Policing Squads, Criminal Investigations Division, Office of the Chief, Support Services Division, Traffic Unit, Canine Unit, Special Operations, and the Field Training and Evaluation Program shall be granted job assignment pay at 5% over the employee's current base rate of pay. Sergeants who are assigned to the Crimes Against Children & Family and Homicide Unit shall be provided an additional 5% for a total of 10% above the employee's current base rate of pay.
- B. Sergeants who are assigned to Mobile Command Center operator, Patrol Support Supervisor, SWAT Team, or Traffic Homicide Investigator shall be provided \$40.00 per payroll period in addition to the employee's current base rate of pay.
- C. An employee may participate in more than one Job Assignment but may not receive more than one Job Assignment Pay differential from group (A) above nor more than one Job Assignment Pay differential from group (B) above, but may receive one Job Assignment Pay differential from group (A) above in addition to one Job Assignment Pay differential from group (B) above.

Bargaining unit members designated as certified Bi-Lingual in accordance with department specifications shall be provided \$50.00 per payroll period in addition to the employee's current base rate of pay over and above the assignment pay differentials listed above.

- D. The above referenced Sergeant's assignments shall be made at the discretion of the Police Chief from a list of interested candidates who have been determined to be qualified for such based on criteria developed by the Department. The number and duration of such assignments may vary and shall be at the discretion of the Department. Should reduction of the number of employees in an assignment be necessary, such reduction shall be based upon the bargaining unit seniority of the employees in the affected assignment.

Section 9. Canine Assignment

- A. Employees covered by this Agreement who are assigned as canine officers shall normally work for seven hours and fifteen minutes per work day for five (5) days per week on regular duty with

or without their canine(s). On those regular work days, they shall also be credited with forty-five minutes work time for time in the care and handling of their canine(s). This time shall be the customary and average amount of time spent by a canine officer on a duty day. On the officers' days off from regular duty, they shall be credited with 30 minutes of work time for time in the care and handling of their canine(s). Such time shall be based on their regular rate of pay and shall be paid at straight time or an overtime rate depending upon total hours worked during the week. It is recognized that on off-duty days the officer's responsibilities for care and maintenance are reduced.

- B. Advance approval shall be required from the appropriate Police Major or higher level manager before a canine officer can work any additional overtime in care and maintenance activities.
- C. No work time is to be used by an officer to prepare or train for participation in canine demonstrations or competitions, except as scheduled by the Department in accordance with standard operating procedures established by the Department and approved by the Police Chief. In the sole discretion of the Police Chief, canine officers may be scheduled to attend demonstrations or competitions. Time involved in demonstrations or competitions shall be limited to the officer's regular weekly duty hours (40 hours) unless previously approved in writing by the Police Chief or designee. Due to the scheduling of demonstrations or competitions, hours and/or days of work are subject to adjustment to meet the circumstances at hand.
- D. Assignment and the removal of assignment as a canine officer is the sole prerogative of the Police Chief or designee, and assigned pay shall only be provided during the period of such assignment as authorized by the Police Chief or designee.
- E. All Department Standard Operating Procedures relating to canine use, care, maintenance, and other aspects of the program as established by the Police Chief shall apply.
- F. A monthly allowance of \$125.00 shall be provided for each dog kept at the employee's home for supplemental food, medical grooming, pest control, and related needs associated with care of the canine.

Section 10. Court and Standby Time

Any employee who is subpoenaed or otherwise required to appear for a remote video deposition or other court proceeding by remote video conference as the result of a matter arising out of the course of his/her employment shall receive payment for the greater of a minimum of one (1) hour or actual time worked if such attendance is during the employee's regularly scheduled time-off. The start time will begin at the time scheduled on the subpoena and end at the conclusion of the deposition or court proceeding. This provision does not apply if the video conferencing requires the employee's physical appearance at the State Attorney's Office, Public Defender's Office, private attorney's office, or Driver's License hearing.

Any employee who is subpoenaed or otherwise required to appear in county or circuit court as the result of a matter arising out of the course of his/her employment shall receive a minimum of three (3) hours pay if such attendance is during the employee's regularly scheduled time-off. This provision shall also apply when the employee is subpoenaed or otherwise required to appear at the State Attorney's Office, Public Defender's Office, private attorney's office, or Driver License hearing in a

criminal, traffic, or civil case arising from the employee's course of employment. When an employee is subpoenaed or otherwise required to appear at the State Attorney's Office at the Police Department during his/her regularly scheduled time off, the employee will receive a minimum of two (2) hours pay. All time paid for any court attendance will count as time worked toward the calculation of overtime. Travel time outside of required scheduled work hours in response to subpoenas in Pinellas, Pasco, or Hillsborough counties is not compensable. Travel time outside of required scheduled work hours in response to subpoenas outside of Pinellas, Pasco, or Hillsborough counties will be paid in accordance with FLSA regulations.

The three-hour minimum does not apply if prior to the end of the three-hour period:

- (a) The employee reports for duty. Standby pay stops at the time the employee reports for duty or court.
- (b) The employee shall be notified via email or telephone as determined by the Court Liaison and told to report to court within the three-hour period or as soon as possible. Court standby pay stops when the employee is notified and court time starts when the employee arrives at court.
- (c) If the employee is notified to report to court at a future time, the employee receives standby pay for the three-hour minimum or actual time in excess of three hours. Court time starts at the employee's scheduled appearance time (with the exception of being late).

Standby time shall be excluded from hours worked computations.

Section 11. Line-of-Duty Injury Pay

The City hereby agrees to pay the following compensation to any employee injured in the line of duty in accordance with the following definitions, terms, and conditions:

- (a) Line-of-Duty Compensation shall be payable under this Section only with respect to disability as the result of injury to an employee where such injury is incurred in the line of duty.
- (b) An injury shall be deemed to have been incurred in the line of duty if and only if such injury is compensable under the Florida Worker's Compensation Law.
- (c) The amount of line-of-duty compensation paid shall be the amount required to supplement funds received from the Florida Worker's Compensation Law and any other disability or other income plan provided by the City, either by law or by agreement, to the point where the sum of the line-of-duty supplement herein provided and all other payments herein described equal the employee's regular rate of pay at the time of the injury. Regular rate of pay for workers' compensation purposes is defined as base pay and any assigned pay if regularly assigned, but not shift pay.
- (d) No line-of-duty compensation under this Section shall be allowed for the first seven (7) calendar days of disability; provided however, that if the injury results in disability of more than twenty-one (21) calendar days, line-of-duty compensation shall be paid from the commencement of the disability. In such case, the sick/injury leave taken by the employee will be credited back to the employee's accrued sick/injury leave account. (Changes in workers' compensation law will modify this paragraph accordingly.) Employees shall be required to

utilize accrued paid leave time to supplement funds received from the Florida Workers Compensation Law in order to maintain a paid status. Employees shall be permitted to utilize accrued paid leave time only in the amount necessary to supplement funds received from the Florida Workers Compensation Law in order to equal the employee's regular rate of pay at the time of the injury.

- (e) The term disability as used in this Section means incapacity because of the line-of-duty injury to earn in the same or any other employment the wages which the employee was receiving at the time of the injury.
- (f) It is the intent of this Section to provide supplemental compensation for line-of-duty injuries only, and this Section shall not be construed to provide compensation in the event of death or injury incurred in any manner other than in the line of duty. Coverage under this Section shall not result in the loss of step increases which the officer would have received had he/she been on the active status. Any time taken off for follow-up doctor visits or therapy due to a line-of-duty injury when coordinated through established Risk Management procedures shall not be charged to the employee's sick leave and shall be considered as time worked. An employee who is not on-duty during the follow-up doctor visit or therapy shall be granted up to two hours of flex time during their scheduled shift to attend said visit or therapy. In the event of any dispute or disagreement concerning the interpretation of this Section, then the decisions concerning definition of the terms of this Section issued under the Florida Worker's Compensation Law shall control.
- (g) The City shall have the right to require the employee to have a physical examination by a physician of its choice prior to receiving or continuing to receive compensation under this Section.
- (h) Failure to report a line-of-duty injury to the employee's immediate supervisor, or to the Risk Management Division within twenty-four (24) hours of the time of occurrence of the injury shall result in a loss of all line-of-duty pay under Article 13 unless such failure to report was: (a) caused solely by and as a direct result of the employee's injuries or (b) resulted from the occurrence of an event over which the employee had no control in the opinion of the City Manager. It shall be the employee's responsibility to prove the injury occurred while on duty.
- (i) Any provisions of this contract to the contrary notwithstanding, should any provision of this contract be inconsistent with the terms of the Florida Workers' Compensation Law (Chapter 440, Fla. Statutes), the Florida Rules of Workers' Compensation Procedure (Fla. R. Work Comp. P), Florida Department of Labor and Division of Workers' Compensation Rule 38 or any other state or federal law or regulation now in force or hereinafter enacted, then such provision of this contract shall be null and void and of no legal force or effect.

Section 12. Uniforms and Plain-Clothes Allowance

- A. Uniforms: The City shall continue to provide the uniforms and equipment currently provided by the City, except that the City may make changes in styles or update equipment as it deems appropriate.
- B. Plain-Clothes Allowance: Employees assigned to positions outside the uniform patrol division and who are not issued uniforms or other clothing by the department shall receive a plain-clothes

allowance of \$900 each year. Plain-clothes allowance shall not be paid to employees on temporary or rotational assignments.

- C. Persons transferred to plain-clothes duty shall be permitted to retain at least one uniform.
- D. The City may determine the most appropriate way to pay uniform allowance; e.g., biweekly, monthly, quarterly, annually. Further, the City may change the manner in which the allowance is paid provided that employees are given not less than thirty (30) days' notice of the change and that the change does not reflect a reduction in the annual amount to be paid.

Section 13. Tuition Refund Program

Members of the bargaining unit shall be entitled to reimbursement for tuition fees for approved courses in accordance with the City's Tuition Refund Program up to an amount of \$2,000 per fiscal year, subject to meeting the approval and eligibility requirements of the City's program. However, the City shall reimburse up to \$2,200 per fiscal year for tuition fees of approved courses in a Master's Degree level program for the same period.

Employees in the bargaining unit must execute an Agreement to repay to the City any amount of Tuition Refund exceeding \$650.00 reimbursed in a fiscal year period should such employee separate from the City within two (2) years of receipt of reimbursement. In the event that an employee separates from the City by retirement and opts to receive an extended sick/injury leave benefit, separation for the purpose of repayment of tuition refunds shall date from the employee's last actual work day and not the effective date of retirement.

Section 14. Safe Driving Incentive

Employees who are regularly assigned to drive a City vehicle and are not involved in a preventable accident during a fiscal year (October 1 until September 30) will receive a safe driving incentive of \$100.00. Employees will be eligible for this incentive each year of this Agreement. For employees who are involved in a preventable accident during a particular fiscal year, they will begin their next 12 month cycle the next October 1st following the preventable accident. Employees hired after October 1st must wait until the following October 1st in order to begin accumulating their time for the purpose of participation in this incentive. The City agrees to make its best efforts to complete the administrative work that is needed to add this incentive to each eligible employee's paycheck within 90 days of the end of the cycle.

ARTICLE 10 INSURANCE

The City agrees to meet with the Union and other City of Clearwater Unions' representatives to review the health and life insurance programs for the purpose of reducing the cost of such programs for the City and the employees.

The City further agrees to provide the Union with such information as it has available as would be required to formulate such a benefit package and to cooperate with the F.O.P. to obtain pertinent information from the present carrier and the insurance consultant. Any information received by either party from the consultant or another carrier will be shared with the other party.

The City agrees that for the calendar year occurring within the first year of the agreement, the City shall contribute toward the medical insurance premiums for employees and their dependents in the amount approved for the plans approved by the City Commission. The City agrees to maintain the current Benefits Committee recommendation process culminating in final action by the City Commission to determine medical insurance premiums for employees and their dependents for the duration of this Agreement. The City further agrees that during the life of the agreement, the City will make available to employees the option of at least one health insurance plan for which the City shall pay 100% of the premium for the employee only base benefit plan cost, it being understood that such base plan may provide a different level of benefit than that which is currently provided. Additional coverage for the family or spouse, as well as any enhancements or "buy ups" to the base plan will continue to be paid for by the employee.

The City agrees to continue to pay the premiums for group life insurance valued at a minimum of \$2,500 per employee. Effective April 1st, 2007, the City shall no longer permit any new enrollment in the 1% Life Insurance Program. Bargaining unit employees who are enrolled as of April 1st, 2007 may continue to participate provided they maintain their participation on a continuous basis thereafter. Any employees who currently participate and choose to discontinue their enrollment will not be permitted to re-enroll in this benefit again at a later date. All life insurance premium contributions and plans currently in force shall continue for the duration of this Agreement. The selection of an insurance company shall be of the employee's choice from the companies offered by the City as approved by the Insurance Committee.

ARTICLE 11 PERFORMANCE AND DISCIPLINE

Section 1. No employee who has successfully completed his/her probation period or extended probationary period as a Police Sergeant or Police Lieutenant shall be demoted, suspended or dismissed without just cause. All discipline will be for just cause and consistent with due process. Employees have a right to Union representation at any time they believe a meeting may lead to disciplinary action. The employee or city may refer to the employee's entire work history and the outcomes of similar discipline cases involving the employee or other employees of the same bargaining unit when opposing or supporting discipline.

Section 2. An employee may also be issued a non-disciplinary "Letter of Reprimand" by his/her Division Head. Prior to a Letter of Reprimand being placed in an employee's file, a Police Sergeant will have the right to confer with the Division Head and a Police Lieutenant will have the right to confer with the Deputy Chief regarding the proposed Letter of Reprimand. The Letter of Reprimand will be retained in the employee's Department file for the period of time specified by State of Florida public records laws and may only be used for future disciplinary action during that period (generally 3 years).

Section 3. Performance, behavior management, and disciplinary procedures shall be found in the current Police Department SOP's and General Orders 211, 212, and 213. The City will notify the Union of any proposed change to the system of discipline or performance management. The Union will within a reasonable amount of time notify the City in writing of the specific impact of the proposed change and the intent of the Union to bargain the impact of the change to the system. Proposed changes will be consistent with sound personnel practice and may

be implemented by the City provided that mandatory and permissive bargaining requirements have been met.

The Police Department and the Union will continue the practice of Labor Management meetings to resolve these types of issues.

The City acknowledges the right of the employee or Union to grieve the application of the process or the application of any individual performance or behavior management standards.

Section 4. The City will continue its current practice of allowing the affected employee to give a brief oral statement to an accident review board.

Section 5. An employee who has been arrested for any crime involving domestic violence or a DUI and formally charged by information or indictment by the prosecuting authority for said crime(s) may be placed on administrative leave without pay pending the conclusion of the administrative investigation, at the sole discretion of the Police Chief. An employee who has been arrested for any felony crime may be placed on administrative leave without pay pending the conclusion of the administrative investigation, at the sole discretion of the Police Chief.

This section 5 does not apply to any employee who is arrested due to allegations of excessive force while acting on-duty and being paid by the City.

ARTICLE 12 DRUG AND ALCOHOL POLICY

Section 1. Voluntary use of controlled substances which cause intoxication or impairment on the job poses risks to the employer, the affected employee and coworkers. All bargaining unit employees will be fully informed of the employer's for cause drug testing policy before testing is administered. Bargaining unit employees will be provided with information concerning the impact of the use of drugs on job performance. Police Majors and other management personnel are trained to recognize the symptoms of drug abuse, impairment and intoxication.

Section 2. City's Drug and Alcohol Program Policy

A. The City's Drug and Alcohol Program Policy delineates drug and alcohol test procedures. Revisions governing testing standards and job classification specifications shall be made as revisions to laws or regulations of state or federal government or agencies deem permissible. Union representatives will be furnished with copies of the policies upon such revision.

Whenever the City or the Union proposes to amend or change any policy affecting drug and alcohol testing, the City or the Union shall provide notice and a copy of the proposed amendments or changes to the other party at least 30 calendar days in advance of the proposed effective date of the change. The Union and the City shall have the right to bargain such proposed amendments or changes in accordance with the law and the terms of this agreement.

B. References to CDL and "safety-sensitive" employees and positions shall not apply to F.O.P. bargaining unit members unless required by law. As such, F.O.P. bargaining unit members shall

not be subject to the following provisions of the City Drug and Alcohol Program Policy unless required by law or agreed to by the parties:

- Section II, B.
- Section II, C.
- Section II, E. 2.
- Section II, E. 4.

Section 3. Drug Testing Upon Designated Assignments

- A. Bargaining unit members shall, when assigned to the Vice & Intelligence Unit, have a drug test administered. Additionally, such bargaining unit members shall have an annual drug screening as part of their annual physical. When an employee tests positive on the screening test, the sample shall be submitted for a confirmation test.
 - 1. The drug screening will be performed utilizing urine samples unless the employee, at his/her option, requests a blood test in lieu of a urine test.
 - 2. Urine and blood samples shall be drawn or collected at a City-designated facility.
 - 3. All testing shall be done by a laboratory certified by NIDA.
- C. Assignment to Vice & Intelligence or removal from same shall be at the sole discretion of the Police Chief, regardless of the drug screening/confirmation findings.
- D. In the event that a Vice & Intelligence officer was required, as a course of his/her employment to imbibe in alcoholic beverages or ingest secondhand marijuana, hashish, crack, cocaine smoke, or smoke from any other controlled substance, within 48 hours of a scheduled drug screening test, the test shall be postponed for one week. The officer shall be responsible for advising his/her supervisor of the occurrence of such an incident as soon as practical.

ARTICLE 13 RETIREMENT

Section 1. Employees shall participate in either the City Pension Plan or the Federal Social Security program as established by provisions of those programs. Should the City subsequently establish an alternate plan to the existing City Pension Plan which is made available to City employees in the City Pension Plan, bargaining unit members may elect to convert to the alternate plan consistent with the provisions of the conversion procedure.

Section 2. Retirement Advancement

- A. The City and the Union agree that prior to retiring an employee may use his/her vacation leave balance at 100% value and sick leave balance at 50% value to advance the employee's date of retirement.
- B. The employee will be considered a regular employee for service credit to the pension plan. The City and the employee will continue to contribute to the pension plan.

- C. During the period of “retirement advancement”, the employee will not be eligible to receive or accrue any benefits except retirement credit. The benefits that will stop include, but are not limited to, vacation and sick leave accrual, insurance premium payments, workers’ compensation, allowances, reimbursements, and special payments of any kind.

ARTICLE 14 SENIORITY, LAYOFF, AND RECALL

Section 1. Seniority shall be defined as the length of continuous service in full-time City employment and will continue to accrue during all types of leave of absence with pay and other leaves when specifically provided in this Agreement. Seniority in rank will be utilized to determine vacation selection, selection of floating holidays, and for bidding for shift assignments, provided that skills and qualifications are substantially equal and except as provided in Section 2 hereof.

Section 2. Bargaining unit members shall be permitted to bid shift assignments by seniority in rank but the Department reserves the right, based on its determination of operational demands to ensure that officers with specialized skills are appropriately deployed among the shifts and to ensure that officers with limited tenure in their job classification are distributed relatively evenly among the shifts. The Department reserves the right to designate up to four field training supervisors which will be distributed as follows:

3. One FTO supervisor permanently assigned to an FTO team in District II
4. One FTO supervisor permanently assigned to an FTO team in District III
5. Two “floating” FTO supervisor positions allocated to the regular patrol shift bid assignments and specialty assignments.
6. No more than one FTO Sergeant will be permitted to occupy the midnight relief shift at any given time.

Bargaining unit members who are selected for FTO supervisor assignments shall be permitted to bid among themselves by seniority in rank for the FTO supervisor assignments. Patrol Sergeants who are in special duty assignments such as Community Policing, Traffic Section, Camera Program Supervisor, or the Special Operations Section are not included in the bidding process.

An employee who is placed on light or restricted duty shall have bidding rights for shift assignments, but has no assurance of the assignment until he/she resumes full duty status. The Police Chief may reassign any officer when such reassignment is in the best interest of the Police Department. Such reassignment shall be with proper justification.

Section 3. An employee shall lose his/her status as an employee and his/her seniority if the employee:

- (a) resigns or quits;
- (b) is discharged or terminated (unless reversed through the grievance or arbitration process);
- (c) retires;
- (d) does not return to work from layoff within ten (10) calendar days after being notified to return by certified mail addressed to his/her last address filed with the Human Resources Department;

- (e) is absent from work, including the failure to return from leave of absence, vacation or disciplinary action, for three (3) consecutive working days without notifying the Department, except where the failure to notify and work is due to circumstances verified as being beyond the control of the employee and which are acceptable to the City.

Section 4. In the event that the City determines layoffs are necessary, all emergency, temporary, provisional or probationary employees shall be laid off before any regular status employee serving in the same class. If reduction in force requires further layoffs, the order of such layoffs shall be determined by seniority in rank. An employee who is in a position that is subject to layoff shall have the option to revert to the position held within the Police Department prior to promotion to his/her current position, or to another sworn position of lower classification within the Police Department for which he/she is qualified. If this movement requires further reduction in force, the applicable bargaining agreement for the affected employees shall govern.

No new employee shall be hired or promoted to the classifications of Police Sergeant or Police Lieutenant until all Police Sergeants and/or Lieutenants on layoff or demoted from those ranks in lieu of layoff have been given an opportunity to return to work in their former Police Sergeant or Police Lieutenant position and seniority date, provided that after one year of layoff such employees shall cease to accrue seniority and that such reemployment rights shall cease after two years from the date of layoff.

ARTICLE 15

At any time commencing January 1 of the year in which this Agreement terminates, but not later than 90 days prior to the termination of this Agreement, either party hereto shall notify the other, in writing, of its intention to modify, amend or terminate this Agreement. Failure to notify the other party of intention to modify, amend or terminate, as herein above set forth, will automatically extend the provisions and terms of this Agreement for a period of one (1) year, and each year thereafter absent notification.
